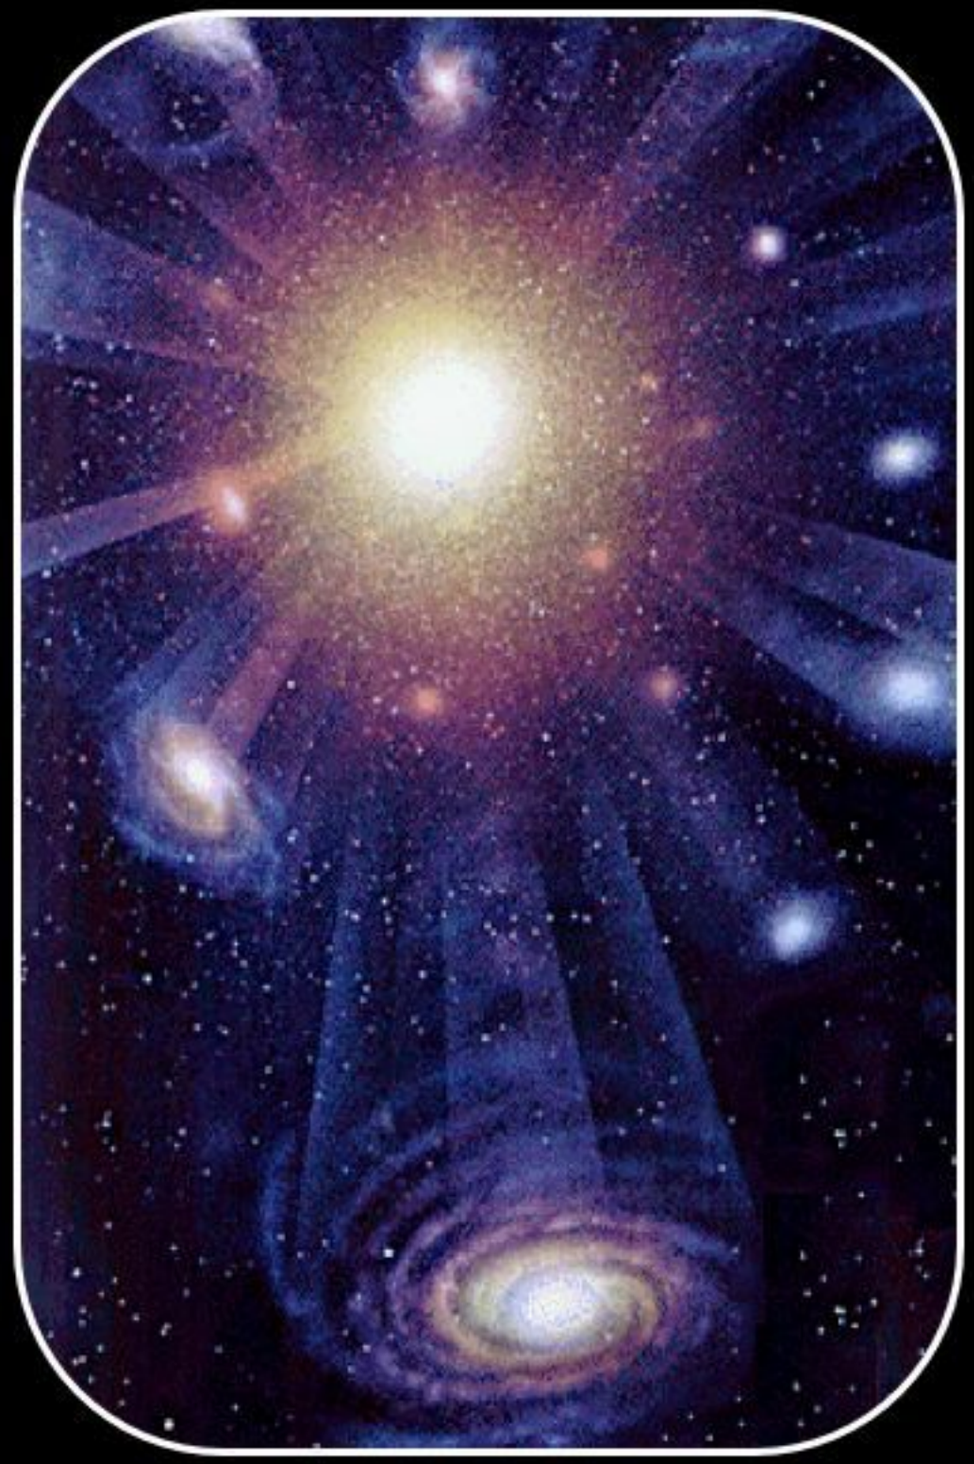
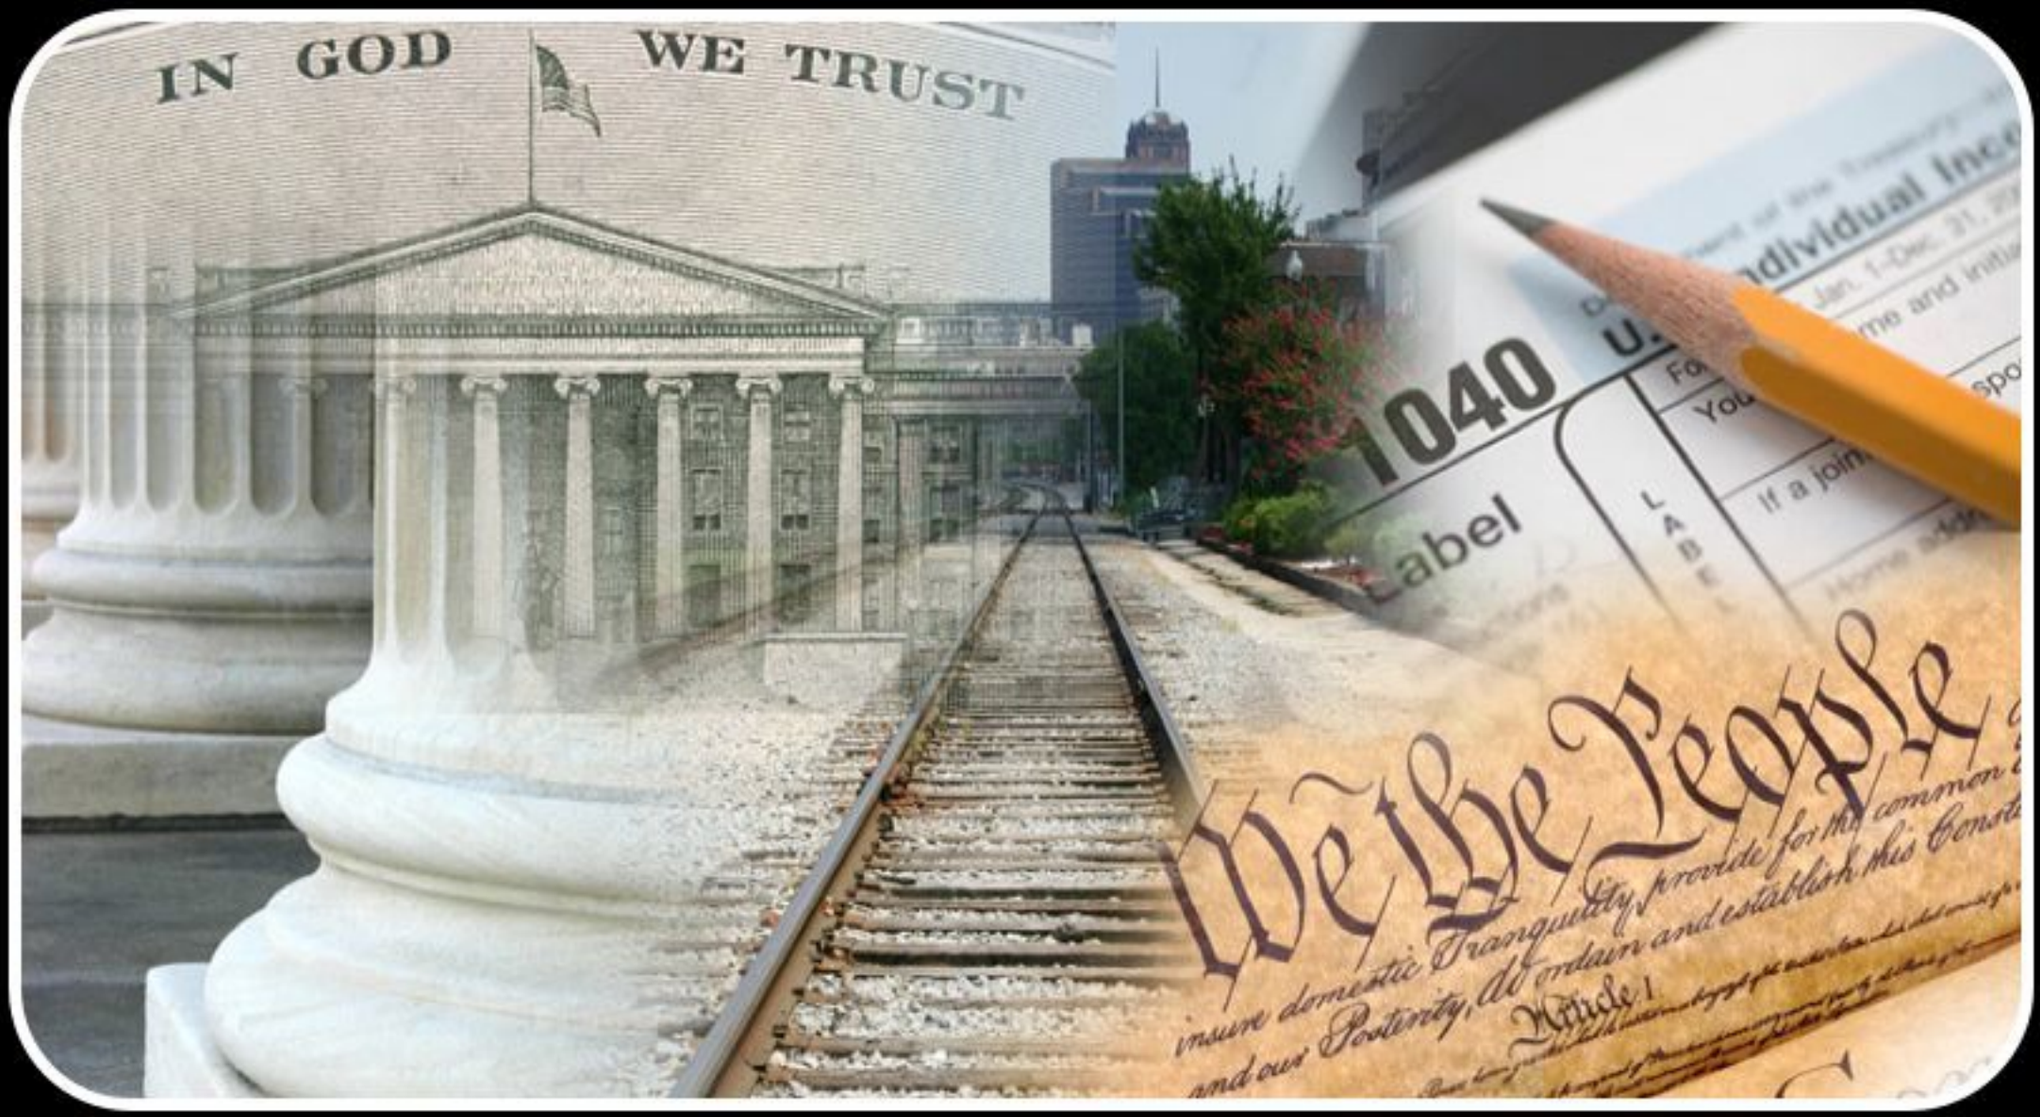
KNOW THE LAW

- A living being ***must*** be ***harmed*** or ***defrauded*** in order in order for a violation of Natural Law rights to have taken place.
- Rights that do not exist for an individual ***can not be granted*** by man's law to any another individual or to any group of individuals.



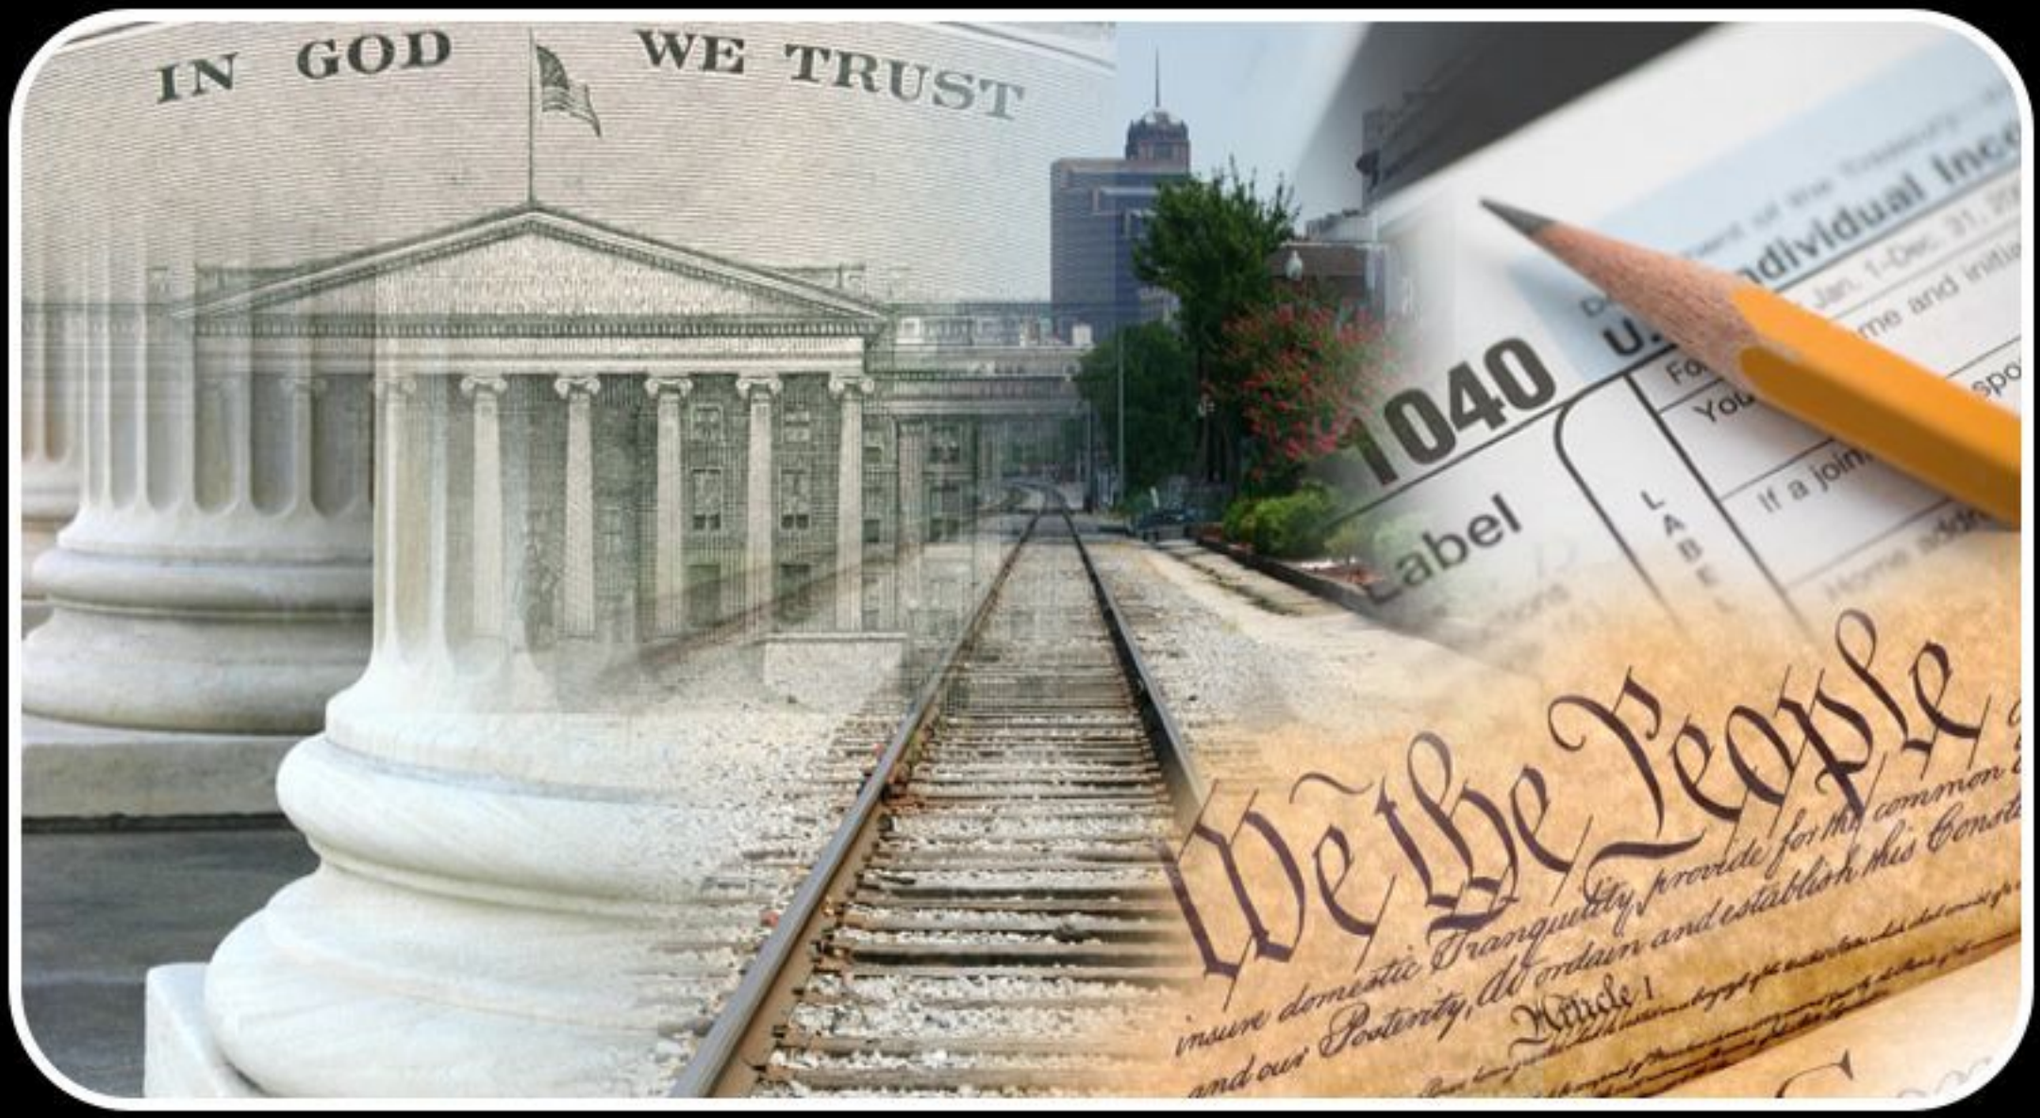
So what does this mean for



man's law?

If...	It follows that...	So then...
man's law is in Harmony with Natural Law	it is redundant (it states what is pre-existing and self-evident)	it is therefore unnecessary
man's law is in Opposition to Natural Law	it is both False and Immoral	it ***cannot*** be binding upon anyone

In Light Of Natural Law, man's law is...



IRRELEVANT

GOVERNMENT

Derived from the Latin verb
Guverno, Guvernare
meaning **"To Control"**

&

the Latin noun

meaning **"Mind"**

To Control The Mind

Know The Difference:

RESPONSIBILITY

VS.

ABDICATION

RESPONSIBILITY

Whenever we hand over our Natural Law Right to use force to another individual, group or entity, we have abdicated our own personal responsibility, which is the foundational basis for the discovery and understanding of Natural Law.

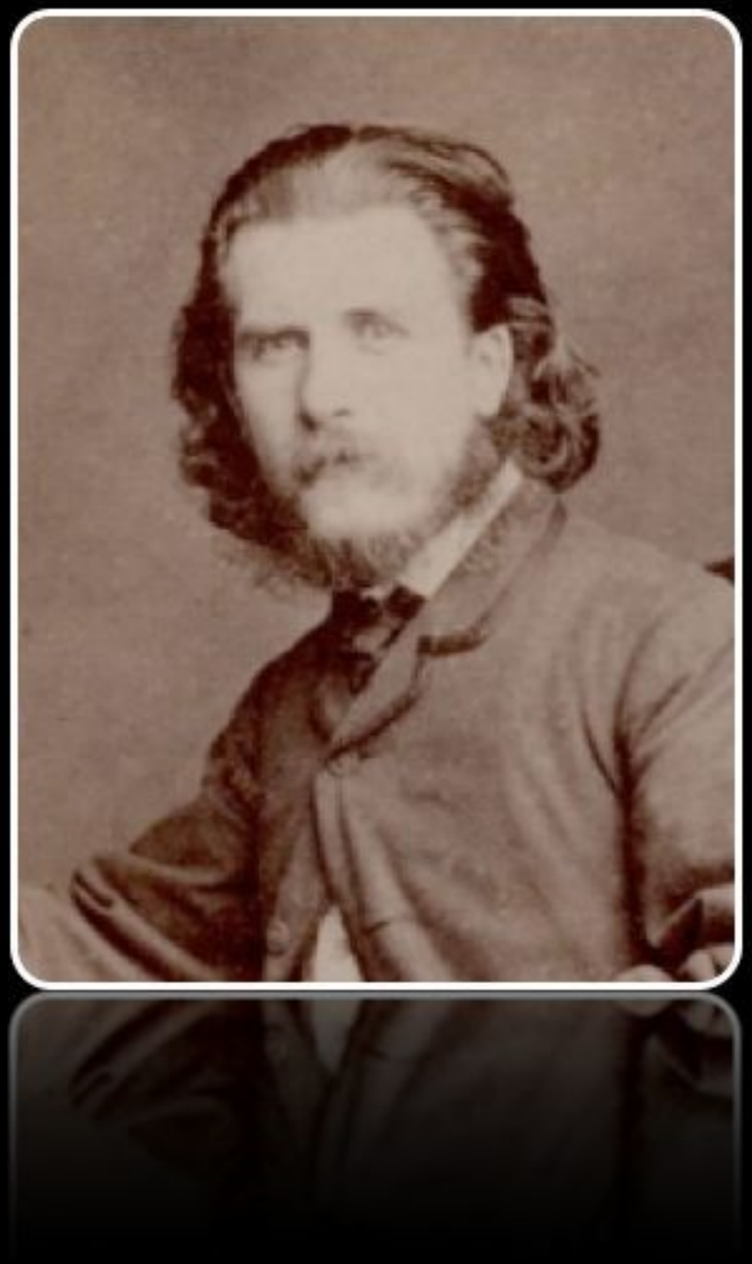
"Those who would
give up Essential Liberty
to purchase a little
Temporary Safety,
deserve neither
and will lose both."

- Benjamin Franklin

"They must find it difficult... those who have taken authority as truth, rather than truth as authority."



- Gerald Massey

"Accept responsibility for yourself and your actions, thoughts and words. You alone make choices. You alone are answerable to the consequences of your behavior. The feeble excuse that your boss required it, the establishment expected it, holds no truth or justification."

- David Icke

"What is the point of having principles if you allow others to dictate your behavior? At the end of the day, you will judge your performance and the contribution you have made to Creation. It will not be based on what another expected of you, or what you did because you felt trapped."

- David Icke

"You assist an evil system most effectively by obeying its orders and decrees. An evil system never deserves such allegiance. Allegiance to it means partaking of the evil. A good person will resist an evil system with his or her whole soul."

- Mahatma Gandhi

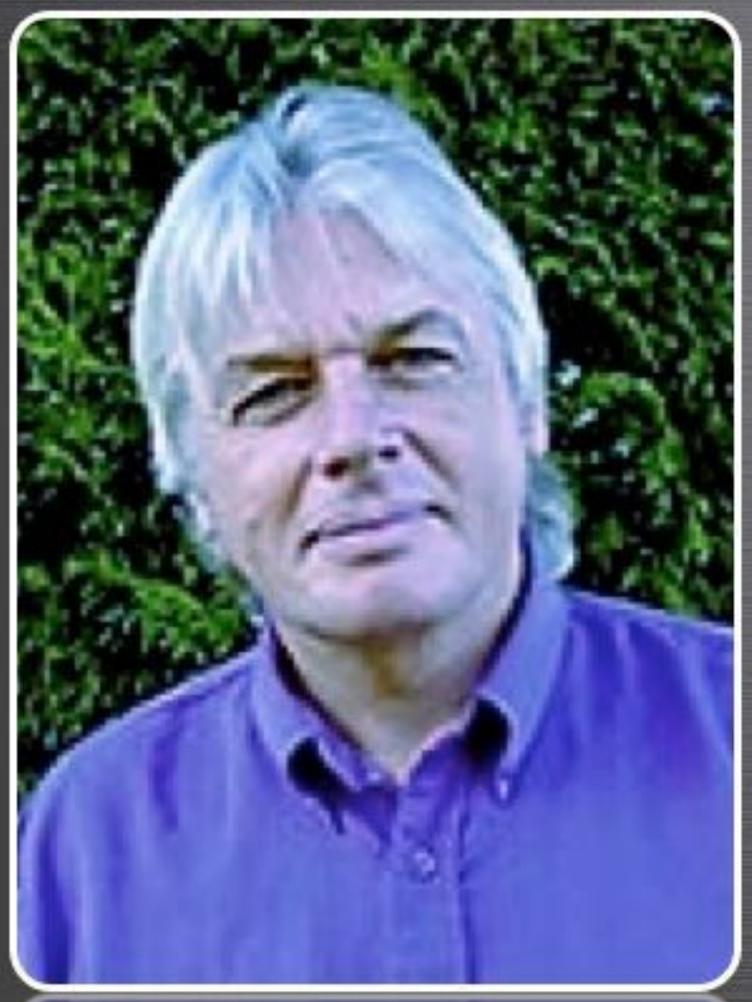
"Nature, to be commanded, must first be obeyed."

- Francis Bacon

"The best way to learn the secrets of nature is not by inventing instruments, but by improving the investigator himself."

- Max Heindel



"As its foundation, any guide to freedom needs a thorough knowledge of why and how that freedom has been removed in the first place. Without that, there can be no answers."

- David Icke

"There is a law that man should love his neighbor as himself. In a few hundred years it should be as natural to mankind as breathing or the upright gait, but if he does not learn it, he must perish."

- Alfred Adler
